Authority and Reference: Pursuant to the authority vested by Sections 4005 of the Business and Professions Code and Section 2 of Chapter 677, Statutes of 2000, and to implement, interpret or make specific Sections 4200 of said Code, the California Board of Pharmacy is considering changes to Division 17 of Title 16 of the California Code of Regulations as follows:

INFORMATIVE DIGEST/ POLICY STATEMENT OVERVIEW

Foreign Pharmacy Education

Section 4200 (a)(3) of the Business and Professions Code requires that an applicant must complete at least 150 semester units of collegiate study in the United States, or the equivalent thereof in a foreign country. Section 4005 of the Business and Professions Code permits the board to adopt regulations "as may be necessary for the protection of the public."

The proposed amendment to Title 16, Section 1720.1 creates (b) which would allow the board to accept a review of foreign transcripts by a foreign credential evaluation service as a way to ensure that a foreign educated applicant's collegiate study satisfies the education requirement of Section 4200(a)(3) of the Business and Professions Code.

FISCAL IMPACT ESTIMATES

Fiscal Impact on Public Agencies Including Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State: None.

Nondiscretionary Costs/Savings to Local Agencies: None.

Local Mandate: None.

Cost to Any Local Agency or School District for Which Government Code Section 17561 Requires Reimbursement: None.

Business Impact: The board has made an initial determination that the proposed regulatory action would have no significant statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states.

Impact on Jobs/New Businesses: The Board of Pharmacy has determined that this regulatory proposal will not have any impact on the creation of jobs or businesses or the elimination of jobs or existing businesses or the expansion of businesses in the State of California.

Cost Impact on Representative Private Person or Business: The Board of Pharmacy estimates the potential cost impact of the proposed regulations on private persons or entities to be \$200 per foreign educated pharmacist applicant in one-time costs to obtain the evaluation.

Effect on Housing Costs: The board has made an initial determination that the proposed regulation will not effect housing costs.

SMALL BUSINESS DETERMINATION

The Board of Pharmacy has determined that the proposed regulations would not affect small businesses. This regulation will only affect foreign educated applicants who are experiencing difficulties obtaining educational documentation from their university.

CONSIDERATION OF ALTERNATIVES

The Board of Pharmacy must determine that no reasonable alternative which it considered or that has otherwise been identified and brought to its attention would either be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposal described in this Notice.
